

GUIDELINES TO AUTHORS

Below are some useful instructions to assist the authors to submit their papers for iSSSC 2022:

ORIGINALITY OF SUBMITTED PAPERS:

Papers submitted to iSSSC 2022 shall contain original work by the author(s) that have not been published or submitted for publication elsewhere. The author(s) are solely responsible for any plagiarized submission.

PAPER SUBMISSION:

All papers are required to be prepared and submitted in the IEEE Standard two –column conference format of A4 size in English. Papers must be maximum of six pages in length, including texts, figures, photographs, and references. Any submitted paper that exceeds six pages will be rejected. The first page must include the title of the paper, author(s), affiliations, address, and text. Please do not include page numbers on submitted documents.

The authors are required to use the standard IEEE manuscript template for conferences. The IEEE Word or LATEX template can be downloaded from IEEE conference template page.

NOTE:

Once the paper is submitted, we shall start reviewing it, so authors cannot update/resubmit the paper. The paper shall consist of original and previously unpublished work, including specific results.

PAPER UPLOAD:

All papers must be submitted in PDF or as a Microsoft Word Document via Microsoft CMT portal.

The submitting authors may be required to create a Microsoft CMT account before uploading the paper (if the submitting author does not have a Microsoft CMT account). While uploading the paper, the authors should provide the title of the paper, an abstract of no more than 250 words and keywords in the respective text boxes in the paper submission page.

Please note that all accepted papers that are registered and presented at the conference will be sent for possible inclusion in IEEE Xplore. All submitted papers will be reviewed by the Technical Program Committees (TPC).
